

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN AUDIT OF UNIVERSAL LOCAL ACCESS	)	ADMINISTRATIVE CASE
SERVICE CHANNEL REPORTS	)	NO. 316

O R D E R

On January 25, 1988, MCI Telecommunications Corporation ("MCI") filed its response to data requests in the instant case. Accompanying the responses was a letter, signed by counsel, requesting that the responses be treated as confidential and proprietary. The Commission will treat this letter as a Petition for Confidential Treatment of the responses.

Upon review of the material, the Commission finds that MCI has failed to comply with the regulation entitled "Confidential Information Not Publicly Available", 807 KAR 5:001, Section 7, in that it has not identified with specificity the parts of the data responses for which confidential treatment is sought.

Therefore, the Commission, being advised, is of the opinion and finds that MCI should be given 20 days from the date of this Order to file for the public record a copy of the data responses which comports with 807 KAR 5:001, Section 7. The Commission will defer ruling on this Petition for Confidential Treatment, pending receipt of such copy or the expiration of 20 days from the date of this Order.

BE IT SO ORDERED.

Done at Frankfort, Kentucky, this 2nd day of May, 1988.
